1309 Norplex Drive, Suite 6  
La Crosse WI 54601

Dear Sirs:

I would like to give you a brief update on the continued healing of my decubitus ulcer while using your Aquila Airpulse PK cushion. The ulcer has decreased to the current size of 4.0 x 2.0 x .01 cm. I am sitting up to eight hours at a stretch and credit your cushion with my ability to return to an active life.

Sincerely,

John H. Holliman, M.D.
